

Extended COVID-19 Learning Plan

as described in Public Act 149, Section 98a

The Plan does not replace the District's COVID-19 Preparedness and Response Plan, it is an additional plan that includes new assurances and sections on educational goals, instructional delivery, grading, and equitable access.

Owendale-Gagetown's

School District Extended COVID-19 Learning Plan

Address of School District: 7166 Main St., Owendale, MI 48754

District Code Number: 32090

District Website Address: www.owengage.org

District Contact and Title: Terri Falkenberg/Superintendent

District Contact Email Address: falkenbergt@owengage.org

Name of Intermediate School District: Huron Intermediate School District

Date of Approval by HISD: 9/17/2020

Updated Assurances based on Senate Bill 927

1. The District/PSA will make their ISD/Authorizing Body approved Extended COVID-19 Learning Plan accessible through the transparency reporting link located on the District's/PSA's website no later than October 4 12, 2020.
2. **By not later than January 15, 2021, the district shall create a report that includes information regarding both of the following and shall ensure that the report under this subdivision can be accessed through the transparency reporting link located on the district's website:**
 - a. **The amount and type of training provided during the current school year as of the date of the report to teachers of the district through professional development that focuses on how to deliver virtual content.**
 - b. **The amount and type of training provided during the current school year as of the date of the report to the parents and legal guardians of pupils and to pupils on how to access and use virtual content provided by the district.**
3. The District/PSA will create and make available on its transparency reporting link located on the District/PSA's website, a report concerning the progress made in meeting the educational goals contained in its Extended COVID-19 Learning Plan not later than February 1, 2021, for goals its expected would be achieved by the middle of the school year and not later than the last day of school of the 2020-2021 school year for goals the District/PSA expected would be achieved by the end of the school year.
4. Benchmark Assessments: The District/PSA will
 - a. select a benchmark assessment or benchmark assessments that is/are aligned to state standards.
 - b. administer the approved benchmark assessment, or local benchmark assessment, or any combination thereof, to all pupils in grades K to 8 to measure proficiency in reading and mathematics within the first nine weeks of the 2020-2021 school year and again not later than the last day of the of the 2020-2021 school year.
5. If delivering pupil instruction virtually, the District/PSA will
 - a. provide pupils with equitable access to technology and the internet necessary to participate in instruction, and
 - b. expose each pupil to the academic standards that apply for each pupil's grade level or courses in the same scope and sequence as the District/PSA had planned for that exposure to occur for in-person instruction.
6. The District/PSA, in consultation with a local health department will develop guidelines concerning appropriate methods for delivering pupil instruction for the 2020-2021 school year that are based on local data that are based on key metrics. Note: A determination concerning the method for delivering pupil instruction shall remain at the District/PSA Board's discretion. Key metrics that the District/PSA will consider shall include at least all of the following:
 - a. COVID-19 Cases or Positive COVID-19 tests
 - b. Hospitalizations due to COVID-19
 - c. Number of deaths resulting from COVID-19 over a 14-day period

- d. COVID-19 cases for each day for each 1 million individuals
 - e. The percentage of positive COVID-19 tests over a 4-week period
 - f. Health capacity strength
 - g. Testing, tracing, and containment infrastructure with regard to COVID-19
7. If the District/PSA determines that it is safe to provide in-person instruction to pupils, the District/PSA will prioritize providing in-person instruction to pupils in grades K to 5 who are enrolled in the District/PSA.
8. The District/PSA assures that
- a. instruction will be delivered as described in this plan and re-confirmed by the District/PSA Board,
 - b. the description of instructional delivery in this plan matches the delivery of instruction to be delivered during the 2020-2021 school year,
 - c. the District/PSA will re-confirm how instruction will be delivered during the 2020-2021 school year thirty days after ISD approval of the plan, and ~~every 30 days~~ **each month** thereafter at a meeting of the Board, and
 - d. **For each reconfirmation described in this subdivision, the district shall report to the center, in a form and manner prescribed by the center,**
 - i. **the instructional delivery method that was reconfirmed;**
 - ii. **how that instruction will be delivered for each grade level offered by the district, including pre-kindergarten, as applicable; and**
 - iii. **whether or not, as determined by the department in consultation with the center, the district is offering higher levels of in-person instruction for English language learners, special education students, or other special populations.**
 - e. public comment will be solicited from the parents or legal guardians of the pupils enrolled in the District/PSA during a public meeting described in PA-149.
9. The District/PSA will ensure that students with disabilities will be provided with equitable access to instruction and accommodation in accordance with applicable state and federal laws, rules and regulations.
10. The District/PSA will ensure that two (2), 2-way interactions occur between a pupil enrolled in the District/PSA and the pupil's teacher or at least one (1) of the pupil's teachers, **or another district employee who has responsibility for the pupil's learning, grade progression, or academic progress** during each week of the school year for at least 75% of the pupils enrolled in the District/PSA. The District/PSA will publicly announce its weekly interaction rates at each District/PSA Board meeting where it re-confirms how instruction is being delivered. The District/PSA will make those rates available through the transparency reporting link located on the District/PSA website each month for the 2020-2021 school year.

Clarification of Assurance 10: "2-way interaction" means a communication that occurs between a pupil and the pupil's teacher or at least 1 of the pupil's teachers **or another district employee who has responsibility for the pupil's learning, grade progression, or academic progress**, where 1 party initiates communication and a response from the other party follows that communication, and that is relevant to course progress or course content for at least 1 of the courses in which the pupil is enrolled **or relevant to the pupil's overall academic progress or grade progression**. Responses, as described in this subdivision, must be to the communication initiated by the teacher, **by another district employee who has responsibility for the pupil's learning, grade progression, or academic progress, or by the pupil**, and not some other

action taken.

Terri Falkenberg

District Superintendent **or** President of the Board of Education

Learning Plan Narrative

Opening Statement

Please provide a statement indicating why an Extended COVID-19 Learning Plan is necessary to increase pupil engagement and achievement for the 2020-2021 school year.

The COVID-19 global pandemic is impacting our school community in a number of ways: we are experiencing a traumatic event, many students may have significant gaps in their learning, and equity issues are more pronounced.

As we return to school in the fall, our first priority will be to ensure the well-being of all members of our school community. Because of the wide range of experiences students had during the remote learning portion of the 19-20 school year, we anticipate that students will come to school in the fall of 2020 with a wider than usual range of competencies. We expect that many students will be behind and will need opportunities to catch up. Teachers will need opportunities to collaborate with each other as they examine student work and determine what comes next in the learning for each student.

Our district plans to begin the school year in an environment where the majority of children will be in person receiving face-to-face instruction. However, about 14% will receive instruction remotely while logging directly into the classroom (virtually face-to-face) and another 3% will be learning through an online program. We will need to ensure that there are structures in place to ensure student engagement and achievement for all. This plan will focus on teaching and learning with an emphasis on equity for all learners and the well-being of students and staff.

Educational Goals

- **Please outline and describe** the educational goals expected to be achieved for the 2020-2021 school year. The District must establish all of its goals no later than September 15, 2020.
- **Specify** which goals are expected to be achieved by the middle of the school year and which goals are expected to be achieved by the end of the school year.
- **Ensure** that all of the following apply to the educational goals described in this section: (a) The goals include increased pupil achievement or, if growth can be validly and reliably measured using a benchmark assessment or benchmark assessments, growth on a benchmark assessment in the aggregate and for all subgroups of pupils; (b) The District benchmark assessment(s) are aligned to state standards and will be administered to all pupils K-8 at least once within the first 9 weeks of the 2020-2021 school year and not later than the last day of the 2020-2021 school year to determine whether pupils are making meaningful progress toward mastery of these standards; and (c) the District's/PSA's

educational goals are measurable through a benchmark assessment or benchmark assessments.

- To the extent practicable, the District will administer the same benchmark assessment or benchmark assessments that was administered to pupils in previous years.

Quality Evidence-Based Assessment Practices

The Owendale-Gagetown Area School District believes that benchmark assessment evidence can be used to monitor and evaluate patterns and trends in school/district academic performance and to identify effective instructional programs. We believe it can provide guidance for standardizing or adjusting curriculum and instruction across grade levels, schools, and districts.

However, we will not use benchmark assessment data alone to make high-stakes instructional decisions about individual student learning. Rather, we will continue the use of (and professional learning around the use of) both benchmark and formative assessment process as a powerful practice embedded in the teaching and learning process to continuously observe where our students are in order to modify instruction.

We believe the use of the formative assessment process, which is supported by an extensive body of research, provides in-time data for both our teachers and students to accelerate their learning and progress and gives us a more complete picture of what our students know and are able to do.

Educational Goals

The Acadience assessments in reading will be administered to all students, K-3, in the fall, winter and spring in accord with the Ready by Grade 3 law. Grades 4-8 will be assessed with Acadience at least twice: once in the first nine weeks of the school year, and again prior to the last day of school. If the year permits, it is the District's goal to also so one assessment mid-year. Math will be assessed using MBSP and Easy CBM for grades K-8 in the first nine weeks of the school year and again prior to the end of the school year. Again, if the year permits, the District will do one additional assessment mid-year. Formative assessments will provide information to inform our progress toward our goals over the course of the year. Progress reports will be available on our website in February and June.

As a means of continuous improvement in teaching & learning, all teachers will receive professional development in, and commit to the use of, the formative assessment process.

Additionally, we will continue to engage stakeholders in the district's balanced assessment system, including publicly sharing aggregate and student subgroup performance reports on benchmark/universal screening results.

Goal 1 - All students (K-8) will improve performance in Reading/ELA from Fall to Spring as measured by the assessment identified for their grade.

- All teachers will use the formative assessment process to support adjustment to teaching & learning, to support meaningful student progress towards mastery of Reading/ELA academic standards.
- Results from Reading/ELA benchmark assessments, local Reading/ELA summative assessments, and formative assessment will be continuously discussed and analyzed by staff.

Goal 2 - All students (K-8) will improve performance in Mathematics from Fall to Spring as measured by the assessment identified for their grade.

- All teachers will use the formative assessment process to support adjustment to teaching & learning, to support meaningful student progress towards mastery of Math academic standards.
- Results from Math benchmark assessments, local Math summative assessments, and formative assessment will be continuously discussed and analyzed by staff.

Instructional Delivery & Exposure to Core Content

Please describe how and where instruction will be delivered during the 2020-2021 school year. (e.g. instruction may be delivered at school or a different location, in-person, online, digitally, by other remote means, in a synchronous or asynchronous format, or any combination thereof).

Note: The District's full instructional plan can be found in the MI Safe Schools Roadmap District Preparedness Plan which is on the District website at the following link:

<http://owengage.org/COVID-19%20Preparedness%20and%20Response%20Plan%20TemplatePDF.pdf>

Mode of Instruction

To start the school year, all K-12 students will choose to either attend school every day for face-to-face instruction or use a virtually face-to-face option by logging directly into the classroom using Google platforms, or utilizing an online program option. Student and staff health and safety will be addressed through a cohort model for grades K-5 that keeps students together for the entire school day. Students in grades 6-12 will have strict safety protocols and practice social distancing. All student desks remain 6 feet apart. All students will have minimized passing times and procedures for getting their devices for use in the classrooms.

Please describe how instruction for core academic areas will expose each pupil to the academic standards that apply for each pupil's grade level or course in the same scope and sequence as the District had planned for that exposure to occur for in-person instruction.

Note: The School District's full instructional plan can be found in the MI Safe Schools Roadmap District Preparedness Plan which is on the District website at the following link:

<http://owengage.org/COVID-19%20Preparedness%20and%20Response%20Plan%20TemplatePDF.pdf>

Curriculum and Instruction: Academic Standards

The District's curriculum for core academic areas is aligned to state standards. As teachers navigate the wider than usual range of competencies expected this fall, they will use pre-assessments to plan for differentiation of content, use results from pre-assessments to inform instruction and prioritize K-12 instructional standards for the 2020-2021 School Year. Teachers will implement instructional approaches to meet the range of student needs as they return to school in the fall, identify assessment ideas that allow students to demonstrate understanding in a variety of ways, assess and provide instruction in the content areas in face-to-face, virtual, online and possible blended classroom environments, and incorporate well-being and SEL/trauma-informed practices into instruction.

As teachers work to engage students who are attending remotely, they will strive to use Best Practices in Distance Learning.

- Remember Maslow
- Nurture a positive home climate for learning and parental involvement
- Establish and maintain remote classroom norms and learning routines
- Implement culturally responsive teaching practices
- Encourage student collaboration and discourse
- Create opportunities for and attend carefully to feedback
- Engage students in meaningful learning opportunities

Please describe how pupil progress toward mastery of the standards described within this section will be graded or otherwise reported to the pupil and the pupil's parent or legal guardian.

Assessment and Grading

Our District bases its assessment system on the Michigan Standards. We regularly assess students at the district and classroom level to determine if they are making progress toward meeting those standards. We place a heavy emphasis on formative assessment. This is critical in the instructional process so that students receive timely feedback that helps them know what they need to do to improve. It also gives the teacher important information to know how to adjust the teaching and learning process to meet each student's needs.

We also have a system for delivering summative assessments at the district and classroom levels. These are given at the end of a period of learning as an evaluation of what has been learned and are part of our district grading process. For example, our teachers deliver summative assessments at the end of each unit of study in our curriculum. These assessments are based on a coherent set of standards in the subject area that focus on a related group of skills and disciplinary knowledge.

We make available to our parents and legal guardians a web-based system that allows them to see their children's grades at any time. Our teachers keep up-to-date information on student grades in this system. We also send progress reports to our parents and guardians during each marking

period. This is in addition to the expectation we have for all teachers that they keep parents and guardians abreast of any concerns regarding a student's grade through emails and phone calls. Finally, we send report cards to parents at the end of each marking period.

Equitable Access

If delivering pupil instruction virtually, please **describe** how the District will provide pupils with equitable access to technology and the internet necessary to participate in instruction.

Technology

The District ensures all students will be provided equitable access to technology and the internet as described in our Continuity of Learning Plan that was previously submitted to the state. The District's system for maintaining student access to technology devices and the internet is described in the Continuity of Learning Plan, and again in the MI Safe Schools Roadmap-- District Preparedness Plan.

<http://owengage.org/COVID-19%20Preparedness%20and%20Response%20Plan%20TemplatePDF.pdf>

Please describe how the District will ensure that students with disabilities will be provided with equitable access to instruction and accommodation in accordance with applicable state and federal laws, rules, and regulations.

Students with identified special needs

When school starts, students' IEPs, IFSPs, and 504 plans will be reviewed in coordination with general and special education teachers and/or providers to address any data-driven accommodations and/or services that are needed due to known changes in students' needs.

For students from birth to five, those with identified special needs, and those attending CTE programming, intervention and support services will be integrated into the student's program immediately upon the start of school.

The district has established structures for general and special education teachers and/or providers to collaborate and communicate regarding student performance and student needs on IEP goals and objectives with special consideration regarding assistive technology and accessibility.

The district ensures a continuation of services for students receiving speech and language, occupational therapy, physical therapy, or social work services within their IFSP or IEP. The district also ensures a method for the continuation of evaluation for students suspected of having a disability as well as those requiring re-evaluation.

Optional Considerations for District Extended COVID-19 Learning Plans:

- 1. In addition to the students with disabilities noted above, please describe how the District/PSA will ensure that the needs of other vulnerable student populations, such as but not limited to, early English Learners and Fledgling/struggling students, are met.
- 2. Please describe how the District/PSA will ensure that students will, during pandemic learning, have continued access to programs such as, but not limited to, Early Childhood, CTE, Early-Middle College, Dual Enrollment, and Advanced Placement as applicable within the District/PSA.

The School District's full instructional plan addresses ways all learners are supported and can be found in the District's Preparedness plan at the following website:

<http://owengage.org/COVID-19%20Preparedness%20and%20Response%20Plan%20TemplatePDF.pdf>
