DISCLAIMER: This screening tool is subject to change based on the latest information on COVID-19

If you answer **YES** to any of the symptoms listed in section 1, **OR YES** to two or more of the symptoms listed in section 2, **OR** your temperature is **100.4°F or higher**, please do not come into work. Self-isolate at home and contact your primary care physician's office for direction.

- You should isolate at home for a minimum of 10 days after symptoms first appear.
- If diagnosed as a probable COVID-19 or test positive, call your supervisor and make them aware of your diagnosis or testing status.
- You must also have 24 hours without a fever **and** improvement in symptoms.

3. In the last 14 days, have you:

Had close contact with an individual diagnosed with COVID-19?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Traveled?	<input type="checkbox"/> Yes	<input type="checkbox"/> No

- If you answer **YES** to either of the above questions, please do not come in to work. Self-quarantine at home for 14 days. Contact your primary care physician's office if you have symptoms or have had close contact with an individual for evaluation. If you are given a probable diagnosis or test positive, call your supervisor to ensure they are aware. We appreciate you doing your part to keep our agency healthy!
