September 4, 2020

Dear Owen-Gage Families,

We are happy to announce that we will be offering **FREE breakfast and lunch to ALL students** until December 31, 2020 or until funding is withdrawn from USDA. The USDA school nutrition program sponsors both the School Breakfast Program and the School Nutrition Program which allows us to feed all children at no cost under their programs.

Families will still need to RETURN the free/reduced price meal applications as our district uses these for additional Federal Title funding and State Aid funding. These forms are very important.

Students who are participating in online or virtual classes will also be provided meals in the same manner as the Summer Food Program. Lunches and breakfast will be prepared for the week and a pickup time at the school will be available. These families will have to call and acknowledge that they will be picking up meals for the week.

Please contact the school if you have any questions about these programs and changes.

Please RETURN the free/reduced forms as soon as possible to the school.

Thank you,

Bonnie Ewald
Food Service Director
